**June 31, 2017**

**Mr. David Cree  
Windsor Port Authority  
Windsor, ON**

**Dear Mr. Cree**

On behalf of the Board of Directors, the Executive Director, the volunteers and the many young people who use our facility, I would like to thank you for your generous donation. These funds are used to support our programs and activities. We are able to provide these services because of organizations that recognize the work being done at our facility. Our volunteers work hard with the young people to provide them with not only physical activity but other good training and examples of proper daily living. Without these things, some of these young people would probably have problems now and later in life. The success of our organization is shown in the lives of those who have gone through the programs and gone on to be business owners, engineers, nurses, college and university athletes and other interesting occupations.

This donation will allow us to continue to provide the above services and continue to make good citizens of the young people in this area. Once again, thank for considering us for this donation and we will endeavour to continue to turn out model young people from our organization.

Since moving your organization into the west end, you and your staff have made significant contributions to this area. As members of the local community, we gratefully appreciate your presence and your involvement.

**Sincerely yours**

A handwritten signature in black ink that reads "William B. Jones".

**William B. Jones  
Board Chair  
Sandwich Teen Action Group**
