

**WINDSOR PORT AUTHORITY
NOTICE
(pursuant to Section 51 of The Canada Marine Act)**

The Windsor Port Authority hereby gives notice of its proposal to increase the existing fees for wharfage, berthage and storage set out in its Wharf By-Law and the existing harbour fees and cargo rates set out in its Harbour Fees and Cargo Rates By-Law, effective May 1, 2019, by four (4%) per cent as follows:

1. The Wharf By-Law (By-Law No. 2) will be amended by increasing by four (4%) per cent the amount of wharfage fees applicable to each item set out in Column 3 of Schedule A, the amount of berthage fees applicable to each item set out in Column 2 of each of Schedules B, C and D and the amount of storage fees applicable to each item set out in Column 2 of Schedule E thereto.
2. The Harbour Fees and Cargo Rates By-Law (By-Law No. 1) will be amended by increasing by four (4%) per cent the amount of harbour fees applicable to each item set out in Column 2 of Schedule A of the By-Law and the amount of cargo rates applicable to each item set out in Column 3 of Schedule B of the By-Law.
3. Since application of a percentage increase in fees may result in overprecision in calculating the fees increase, in making the calculations decimal values have been rounded to four decimal places (being one hundredth of a cent).

Documents containing more details about the proposal may be obtained from the Windsor Port Authority on request.

Persons interested in making representations in writing to the Windsor Port Authority about the proposal may do so in writing to the address set out below.
